## Enrollment Agreement

I hereby state that I am enrolling in the *The Birth Hub* class of my own free will and with the understanding that this is a programme designed to teach me to use my own natural abilities to bring my mind and my body into a state of relaxation. I further understand that the content of these classes is in no way intended to be represented as medical advice nor as a prescription for medical procedure. I am aware that I should seek the advice of a health-care provider to answer any health-related or pregnancy-related issues surrounding my pregnancy, my labour, or my birth.

I therefore agree that I will in no way hold the instructors of the *The Birth Hub* classes responsible for any special circumstances that could arise as a result of my pregnancy, my labour, or the birth of my child; and I agree that neither I nor any member of my family will make any claim or initiate any suit against any of the above-named parties now or at any time in the future.

If for any reason, any of the classes are missed through my own inability (either through starting labour / giving birth / another appointment / commitment) to attend the classes, I will attend catch up scheduled classes or forfeit the remaining classes. I do not hold the instructors personally responsible for the missed classes.
